ENGLISH DAY – The Impacts of COVID-19.

1. How has COVID impacted the education system worldwide (Taiwan)?
2. How has COVID impacted the hospitality & tourism sector?
3. Did ONLINE teaching have an affect on 'YOUR' learning?
   (1) Yes? No? Elaborate
4. Many businesses globally are requiring a mandatory vaccination. There is mixed emotions with this mandate. Some people agree and some refuse. Those who refuse are now being told they could lose their job(s) or laid off work without pay. Do you agree or disagree and why or why not?
5. Many regions of Asian population are a common site to see people wear face masks, for various reasons. Unlike European and North/South American culture, face masks are not a common site (prior to COVID). Now that masks are mandatory in every country around the world, people in these geographic regions that are not accustom to wear masks are putting up a fight being told they must wear a mask – even as far as to become physical in their fight.
   (1) How do you react to these situations?
   (2) How should these individuals who do not follow their government policy be treated? Punished? Not punished?
   (3) Do you think this is an infringement of one's personal rights?
6. The figure is from Central Statistics Office in Ireland. It shows the survey results in February 2021. Compare your own experience facing the challenges of COVID-19 in February 2021. Do you find anything similar or different? What are the possible factors caused the differences?
