2. Have you ever had any of these problems?
3. How did/could you find a solution?
4. Can you think of one more piece of advice for online learners?

(IV) Read students' comments below from the United States. Talk about how life has changed. Share your opinions.

I personally think that there has been learning loss during the pandemic, because it has made it harder for students to focus while looking at a screen the entire day. — Benjamin E.

Some people aren't motivated by school and being online makes it a lot easier to cheat. — Liam, NYC

I think many people would like to go back to normal schooling while others don't have an issue with online learning. It all depends on how you learn and what kind of student you are. — Sawyer R
